

Chase Baker

IU Media School Student

PROFESSIONAL SUMMARY

Indiana University Media student with hands-on experience producing creative video content, short films, and digital media since 2017. Outgoing collaborator skilled in Adobe Premiere Pro, After Effects, and Photoshop for audio editing, visual effects, animations, and promotional content. Eager to support the IDS Marketing Team with media content creation, promotional tabling, and IDS marketing campaigns.

EXPERIENCE

Creative Video Content Developer

McCordsville, IN | 2017 – Present

- Produce original video content for digital platforms, including color correction/grading, audio track manipulation, visual effects, and dynamic text animations using Adobe Premiere Pro and After Effects.
- Design and manage complex compositions with layers, blending modes, 3D models, textures, and motion graphics to create engaging promotional and storytelling content.
- Deliver steady stream of creative media projects, demonstrating motivation, creativity, and technical proficiency in post-production.

Lead Editor and Gaffer – IU Short Film Boot Camp

Indiana University Bloomington, IN | July 2023

- Served as Lead Editor and Gaffer on a short film, handling camera operation, lighting, video editing, and narrative development in a professional IU film studio environment.
- Collaborated with a team of participants to write, shoot, and produce a complete short documentary/experimental film from concept to final delivery.
- Applied advanced editing techniques, lighting setups, and storytelling skills to create compelling visual content under tight deadlines.

Top Golf

Fishers, IN | August 2023 - July 2024 & June 2025 – August 2025

- Greeted guests kindly, resolved inquiries promptly, and created a fun, welcoming atmosphere that drove repeat visits.
- Collaborated with team members during high volume periods to deliver seamless guest experiences, embodying Topgolf's "One Team" value.

Shake Shack

Fishers, IN | April 2022 – July 2023

- Welcomed guests with enthusiasm ensuring a positive dining experience aligned with Shake Shack's "Stand for Something Good" mission.
- Supported teammates during high-volume shifts, and fostered a fun, inclusive work environment to enhance service quality.
